

profondità scavi / depth of excavation 50 cm.

Technical drawing of a three-person safety matting system, showing three identical units arranged in a triangular pattern. Each unit consists of a central hub connected to three rectangular matting sections. The drawing includes detailed dimensions and angles for each component.

Dimensions and Angles:

- Central Hub:** A circle with a diameter of $\varnothing 30$.
- Matting Sections:** Rectangles with dimensions 140 (length) x 53 (width). The angle between the matting sections at the hub is 120° .
- Support Structure:** A rectangular frame with dimensions 187 (length) x 112 (width). The angle between the support structure and the matting sections is 120° .
- Connections:** Dimensions 197, 112, 78, 136, 187, 136, 78, 119, 120, 103, 53, 149, 105, 261, 157, 149, 140, 53, 112, 195, 160, 42, and 30 are shown for various parts and connections.
